What does our ToolShare do

Demo:

1. Show homepage
2. Login to a user (Bobby, with three tools)
3. Switch ShareZones (Explain that you are moving) to 12345
4. Show that Patty from old ShareZone is still in possession of old Tool
(Implemented on purpose)
5. Create a new tool (Sledgehammer. Condition: Excellent)
6. *****While this will be going on, Zach has requested your Needle Nose Pliers*** (From: Today | To: Sunday | Reason: Need to fix belly button piercing.)**
7. ShareZone tab
8. Notice the Statistics, investigate and find out who has lent the most
(Tyler)
9. Click on Tyler to go to his homepage
10. Ask to borrow his Wood Saw: Reason: There is a tree you do not
like at your new house.
11. Go to sheds tab
12. Notice that Zach has a Lantern in Tyler's Shed. Show desire for
Lantern since you are having a rooftop new year's eve party and want
more light.
13. Begin a borrow request.
14. Notice that the Lantern is taken for when you are home, but is
available when you are out of town, how unfortunate.
15. Request Lantern for New Year's, when you are back home.

16. Go back to homepage and change password
17. Notice notifications.
18. *****Zach will open up a new incognito tab under Brendan*****
19. Accept Zach's request for Needle Nose Pliers.
20. Express joy for loaning out tools! Explain desire to loan out more tools, so let's become a Shed Coordinator.
21. Go to Sheds Tab and become Shed Coordinator.
22. *****Zach now puts his Hammer into your shed*****
23. Express joy when viewing your shed.
24. ***** "Brendan" requests Hammer for the 16th because he is making a birdhouse*****
25. Go to home page and see that Brendan has reserved the Hammer.
26. Express disgust that you now have to deal with Brendan coming over and getting the tool when you are out of town.
27. Go to sheds tab and delete shed: show confirmation box.
28. Go to tools tab to view tools
29. Delete crescent wrench
30. "Whew, what a session at ToolShare this was. I am happy and content with my experience and look forward to more adventures."
31. Logout
